John Servin breaking out.

Pioneers Outrace Opponents

The cross country team had one of its most successful seasons ever in the fall of 1984 as evidenced by the great victory in the District E Championship in Gardner at which forty-one schools were represented and over 250 runners competed. The season started on a negative note with a loss to Milford, but the team captains John Servin and Brian Gilmartin inspired the squad to bounce back by setting several course records. The Pioneers easily won the next thirteen contests.

This year's team had great success at the CMC meet, taking the team championship with five individuals named to the league all-star team: Gilmartin, Servin, Hight, Grahn, and Coggins. St. John's avenged the loss to Milford at the Invitational Championship, opposing traditional rivals like Marlboro, Fitchburg, and Shrewsbury and winning its first Class A title since 1980. Seven Pioneers won a trophy at the Shrewsbury Kiwanis Race, leading the team to yet another title.

The District Championship in Gardner was the meet for which the team had been preparing all year. The Pioneers rose to the challenge and won the school's first District cross country title.

The J.V. team finished the season with an undefeated record. Further, it provided the varsity with mid-season help. These promising young men insure the future success of the cross country team.

SOCCER TEAM GOES TO DISTRICTS.

The St. John's Soccer team had a great season this year ending with 13 wins, 3 losses, and 1 tie. In the beginning of the season, the St. John's soccer team was unstoppable, winning all its games in September giving it a record of 6-0 with ⅓ of the games down. Through the middle of the season, there were some tough battles against rival Wachusett and Leominster resulting in losses but not breaking the morale of the team.

The team was built up of a strong line up of seniors. All of whom showed leadership but the co-captains, Jim Matthews and Kevin Gillis, were the main force behind the team. On defense, seniors Matthews, Paul Short, and Don Sullivan showed leadership and the ability to play good, and play hard. Up front, seniors George Benoit, Mike D'Lugo, Mark Davis, and Kevin Gillis helped provide the offense for the team. Elected co-captains for 1985-86, Mike Elster, Chris Wydom, Glenn Tyldesley and Paul Brule helped to give the team support. During the season some heavy injuries especially to Kevin Gillis stumbled the team. Everyone had to pick the slack up and Jim Matthews took a commanding role.

The team made it to the semi-finals of the districts being defeated by Milford, who they had tied earlier in the season. Co-captains Jim Matthews, Kevin Gillis and forward Chris Wydom represented St. John's in the CMC All-Stars.

Pioneer Football

St. John's varsity football team, guided by senior quarterback, Bob O'Brien, ended its season with a record of 3-7, with convincing wins against St. Bernard's, Wachusett and Shrewsbury High Schools.

The seniors, under the leadership of co-captains, Chris Provo and Jamie Puize, helped to build a solid foundation for the future of the St. John's football program. Included among the senior standouts were the "Pioneer Award" winner, Ron Kraus, and the "All-Conference" honorees, Mike Ryan and Mike Viola.

The 1985 season is eagerly anticipated, following the junior varsity's impressive record of 7-2, the Freshmen record of 5-2-1, and the selection of tri-captains Joe Tanona, John Spellane and Rick Heppenstall.

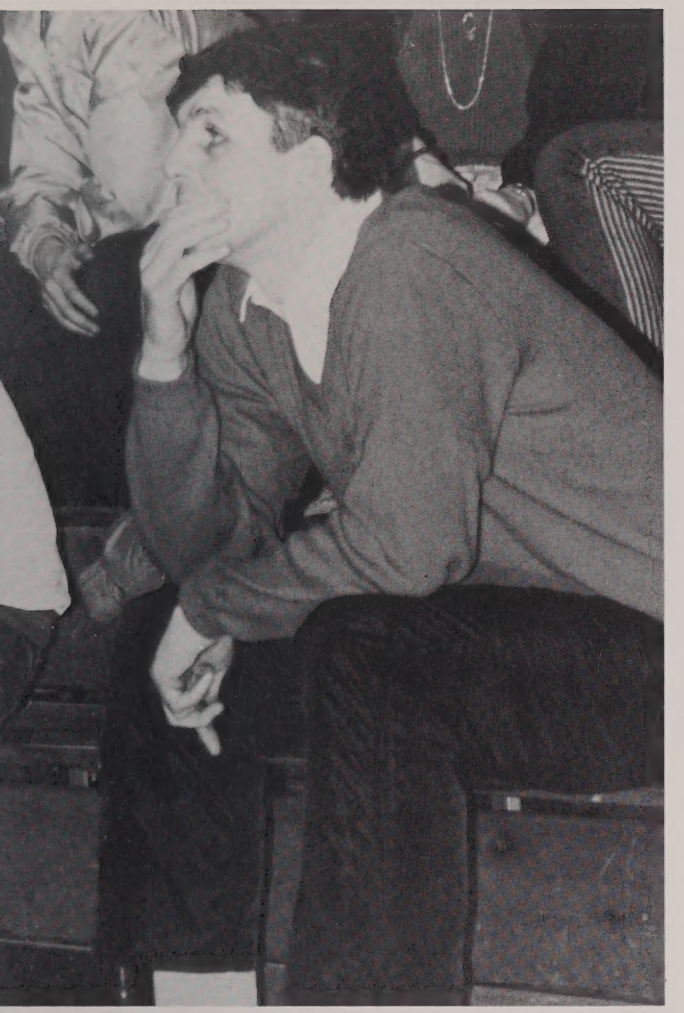
Saint John's Hoopsters



The Varsity Basketball Team had a very successful year under Head Coach Robert Foley. Under senior co-captains Rob Rooney and Sean Foley, the team finished the year with a 14-6 record.

There were many highlights to the 1984-1985 season: the tough overtime tournament loss to Leominster, the appointment of both co-captains to the Central Mass All-Star Team, and the resounding victory over Leominster in the last game of the season.

There were many seniors who played an integral role in the team': success. Dave Blair was both the team's leading rebounder and the leader in blocked shots. Fran Lee, Brian Blaney, and Bob O'Brien formed an unbeatable triad. The fans bid farewell to these seniors whose leadership inspired us all.

PIONEER PUCKSTERS

St. John's had a successful hockey season under first year head coach, Mr. Brian Murphy. The pucksters finished with a deceiving 7-8-2 record, playing against the toughest competition in the state.

Some of the highlights of the 1984-85 campaign were an impressive opening game shut out over Eastern Massachusetts power, Austin Prep and a tremendous 5-2 victory over arch-rival St. Peter-Marian, a team the Pioneers had not defeated since 1980.

Co-captains Art Ward and Russ Romeo, along with senior Steve Govoni, were chosen as Central Massachusetts League All Stars. Junior forward Craig Shibley was awarded an Honorable Mention. The other graduating seniors who played an integral part in the success of the St. John's hockey program over the last four years were P.J. Cassanelli, Peter Mikkila, Brian Mulcahy, Warren Brown and Brian Kelley.

To the graduating members of the St. John's hockey team we the fans would like to take this opportunity to say thank you for an exciting, action-packed season and to wish you all te Best of Luck in the future.

TO JOHN

The stream of life is
fed by one source;
You, John, have found
this source before
most of us.
While you were dis-
covering this source of
joy,
We came upon a dam
of thought.

We are members of a
family
Striving for similar
goals.
We are children of
God
Called to experience
life fully.

Let us go on to fulfill
our lives
As best we can.
Let us again flow on
the stream
Thankful that John has
found his source.

In memory of John

THE SAGA OF NICHOLAS NICKLEBY

Junior Dana Blackman plays the villain

Under the direction of Mr. Patrick Dolan. THE LIFE AND ADVENTURES OF NICOLAS NICKLEBY came to St. John's as an epic seven-month project that ultimately involved 20 actors, 21 crew members, and two teachers.

NICHOLAS NICKLEBY is a typical Dickens story of a poor brother (Tom Wiegand '85) and sister (first played by Kim Reed, then Holly Waite) who suffer from lack of opportunity and from the indifference of their cold-hearted, miserly uncle Ralph (Dave Gendron '85). Nicholas is forced to work in a sadistic boys' boarding school directed by the unspeakable Mr. Wackford Squeers (Dana Blackman '86), while his fragile sister Kate must work in a millinery shop in London where she is toyed with by two unscrupulous noblemen, Lord Frederick Verisopht (Jay Merchant, then John Degon) and Sir Mulberry Hawk (Kyle Gonyea, then Jon Marko). Kate and Nicholas ultimately meet some good people, notably the kind philanthropist Charles Cheeryble (Joel Watts '86) and the flamboyant theatrical manager Vincent Crummles (again Dana Blackman '86, in a dual role.)

At St. John's there were two NICKLEBY productions, the first in November 1984 as a presentation for the school at Quinsigamond Community College. In December, it was decided to take a shortened version of NICHOLAS NICKLEBY into the Massachusetts High School Drama competition.

At the very first Regional competition, ALL 17 St. John's actors received awards, with Mike Birch, Dana Blackman, and Dave Gendron being singled out for individual excellence. At St. John's Prep of Danvers, in addition to the three gentlemen listed above, Scott Dalton, Rick Homan, Holly Waite, and Tom Wiegand all gained individual acting awards. Also, St. John's gained the right to continue into the prestigious and exciting State Finals at John Hancock Hall in Boston. In Boston, we ended up placing sixth out of an original field of 52 schools. Scott Dalton '85 won an imposing State level gold pin, as did Jon Marko. Both he and Scott joined the State All-Star Cast on stage at the Hancock.

NICHOLAS NICKLEBY was certainly the most elaborate project the St. John's Drama Club has ever undertaken, demanding as it did countless hours of planning and rehearsal. Nevertheless, the cast and crew yet battled to a supremely satisfying seven month's achievement that they will remember for many years to come.

St. John's Math Teams

The Math Team completed a most successful year in 1984-1985. For the second year in a row, the varsity finished first among twenty schools in the Worcester County Mathematics League. The team was led by seniors Jay Coskie and Eliot Levitt who finished 2nd and 3rd, respectively, among the individual top scorers. Also finishing in the top twenty were seniors Rakesh Anand, Morgan Creighton and David Bradlee, junior Anthony Maurello and sophomores Art Kalb and Brad Wyatt.

By virtue of its finish in the county league, the team qualified for both the State and New England math meets. At the New England meet, St. John's finished 6th in its division and 7th out of 39 schools in the medium and small school divisions. Jay Coskie received high scoring honors at both the State and the New England meets. In other regional competition, St. John's was the Worcester County champs for the second year in a row in the New England Mathematics League.

In individual competition, Jay Coskie finished 8th in the state on the 1984-1985 Math Olympiad, a test given to 6,000 of the top math students across the state. Eliot Levitt finished 32nd. On the American High School mathematics Examination Morgan Creighton and Jay Coskie qualified for the second level exam, and their scores along with that of Eliot Levitt earned the school national recognition for outstanding achievement in mathematics for the fourth year in a row. Finally, six members of the varsity team (Jay Coskie, Eliot Levitt, Morgan Creighton, Rakesh Anand, James Riordan and Art Kalb) completed for the Western Mass All Star team at the American Regional Math Meet held at Penn State in June.

The freshman team finished 2nd in Division A for the year and was led by Matt Pagano, Michael Fitzgibbons and Andrew Olmstead, each of whom received top scoring honors.

Mr. Stephen Gregory is the coach for both the varsity and freshman math teams.

ACKNOWLEDGEMENTS

Although this yearbook represents the contributions of many people, we, the editors, would like to acknowledge the contributions of the following:

Brother J. Conal Owens, Brother More, Brother Thomas Fahey, Brother Stephen Comeau, and Mr. Robert Moynagh for their guidance and support,

The entire Faculty and Staff of St. John's for their ideas and enthusiasm,

The moderators and members of SAC for their financial support,

The staff of the Treasurer's Office for their assistance, and

Mr. Francis Doyle, our professional photographer.

Also, we would like to thank the following:

Mr. Brian Murphy, our moderator, whose constant support and advice made this book possible,

Brother John Sullivan for his photography,

Mr. John Carrier of Herff-Jones Publishing,

All the homeroom teachers and coaches who assisted us in naming homeroom and team pictures.

Finally, we thank the entire student body and especially the Class of 1985 for their valuable suggestions and creative ideas. Good luck in all your future endeavors.
